

BUS POWER

The strongest on the road media now offering you **Bus Body Advertising** for **New World First Bus** and **Citybus**

2020 marks **RoadShow** a new development. It is not only our **20th anniversary** but also a year that we further extend our footprint to the Hong Kong Island by operating the media sales services of **Bus-BODY & Bus-INTERIOR advertising** for **New World First Bus** and **Citybus** from **July 1**.

As the strongest on the road media sales agency, we are now offering advertisers and agencies the total solution of reaching affluent people and the heart of Hong Kong. With circa **1,700 double-decker** and **single-decker buses** across **200+routes**, we can allow your advertisement be the eye grabbing moving billboards running through the CBD of Hong Kong, residential areas and most popular entertaining and shopping places.

Same as before, **RoadShow** shall continue to provide advertisers and agencies the most comprehensive services, innovative solutions and value for money packages to help you reach your campaign's targets.
